**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and I use our Internet service not just to live our daily lives, but also to work from home on a regular basis. Facing the high prices and poor service of the larger carriers we were so happy to find a small regional provider (Sonic), that meets our needs in every way. Then even answer the phone with a real person whenever we have a question about our service.

Competition and consumer choice are essential for millions of Americans like us.

Thanks so much for your consideration.
